

Fire Ground Survival Training

The Saginaw Fire Department is proud to present Fire Ground Survival Training

- Preventing the Mayday
- Being Ready for the Mayday
- Self-Survival Procedures
 - Self Survival Skills
- Firefighter's Expectation of Command

The most comprehensive survival skills and MAYDAY prevention program currently available. Students will immediately put their new skills to work in the final confidence maze in a residential structure.

Lecture Friday, September 22, 2017

6:00 PM – 10:00 PM

Saginaw Township Fire Department Station Two
3211 McCarty Road
