FIREFIGHTER SPOTLIGHT

Bob Verdi

Cadillac L704

Bob has been attended multiple bootcamps and has been influential in getting L704 back out into the streets. Once the House Bill passed, Bob was determined to get his locals interaction and dollars back up and he did just that! Cadillac went back out into the streets this year along with other fundraisers and was able to raise over \$9,500 which is over \$6,000 more than 2017!!! They host an annual No Shave November contest and have the firefighters wives involved too helping to raise money for MDA! We are so grateful for coordinators like Bob!
