We Ride As One

The International Association of Fire Fighters Motorcycle Group will be hosting their 13<sup>th</sup> annual rally in Mackinaw City, Michigan on September 9<sup>th</sup> through the 13<sup>th</sup>, 2019. This will be a gathering of professional firefighters from across the United States and Canada. Our past rallies have taken us to many parts of the United States and Canada such as Montana, Arizona, Arkansas, British Columbia, Missouri and others. This year gives us the opportunity to showcase our beautiful state of Michigan to this large group of firefighters coming together with a common interest in motorcycling.

As in past rallies, we have reached out to our friends and supporters to help defray some of the many expenses involved in putting this event together since the registration fee paid by the firefighters does not cover them completely. These expenses include, in part, food and beverages for the opening and closing ceremony dinners, tent, table, chair and port-a-john rental, sound system for the event, water for the riders and snacks for between events. Our major event planned for this year will be a 9/11 Tribute Ride across the Mackinaw Bridge with lunch in St. Ignace. All area Fire and Police Departments have been invited to participate. We also will have media coverage for this event.

We would truly appreciate any assistance you can provide to make this event and a visit to our beautiful state a memorable one for our fellow firefighters from across the United States and Canada. Your contribution will also be acknowledged with an ad placed in our rally book. Any checks may be made out to IAFF-M/G and sent to the following address: 5351 Bridge Trail West, Commerce Twp., MI 48382.
